

# INNER EAST CIRCUIT

When you live in a city as beautiful and diverse as Sydney, cycling becomes about the journey not the destination. This cool ride freewheels through the urban culture hub of Sydney's inner east and grazes on food, fashion and art along the way...

## RIDING ON... SHARED PATHS

### SHARED PATHS

Are for the use of both pedestrians and bike riders. They are designated by images of a pedestrian and a bike on the pavement or on a street sign.

### On a shared path:

- Pedestrians **always** have right of way.
- Slow down and ring your bell early to warn of your approach.
- Ride in a safe and courteous manner.
- Smile, wave or say 'thank you' as you pass.

### NEW SHARED PATH MARKINGS

We are currently rolling out new blue on-the-ground line-markings to more clearly designate shared path areas and reinforce pedestrian priority.
